

2011 MARILYN MERLOT

The 2011 vintage Marilyn Merlot is the 27th annual release of this collectable wine. This year's release is 100% Merlot wine from grapes grown and fermented in the Napa Valley. Dark ruby hues with a tinge of purple highlight the color. The aromas of ripe strawberry and cherries augmented by subtle toasty oak are mirrored in the flavors. Moderate alcohol level, palate cleansing acidity and a lingering finish makes this wine desirable with a broad range of foods, or by itself. Vineyard locations for this wine are from various growers with whom we have had long relationships and the various vineyards all reflect the special character of the Napa Valley.

Wine Analysis:	Alcohol:	13.9%
	Total acid	0.59 g/100ml
	PH	3.64
	Sugar	0.11 g/100ml
