Marilyn Merlot

Marilyn Merlot Silver Anniversary Edition

It started as a whimsical suggestion offered at a dinner party in Napa Valley. Two years later, the 1985 vintage of Marilyn Merlot made its entrance in the wine world and the rest, as they say, is history. Marilyn Merlot has achieved a stardom of its own over the years, attracting not only fans of Marilyn Monroe, but lovers of fine Napa Valley Merlot, offering what wine author Leslie Sbrocco calls "glamour in a glass."

The 2009 vintage of Marilyn Merlot is the 25th Anniversary edition, and comes to market on September 1st in a very special screen-printed bottling highlighted with a silver signature below a 1950s publicity photo of Marilyn Monroe at her most glamorous.

This very special wine is appealing in many ways:

-  Wine collectors and lovers of Marilyn Merlot have long awaited a crowning wine for their collections, and the Silver Anniversary Marilyn Merlot will surely be the "must have" wine of the year.
-  The 2009 vintage Marilyn Merlot captures the essence of its Napa Valley heritage and is among the finest expressions of Merlot from an outstanding vintage. It will age beautifully for at least a decade.
-  This is a wine to collect, to enjoy, and to give. It commands attention when it enters the room, offers seductive aromas and elegant flavors, and has an enduring appeal.

The film career of Marilyn Monroe began with a bit part as a telephone operator in The Shocking Miss Pilgrim, in 1947, and ended with her compelling role in The Misfits in 1961. Her movie career spanned just 14 years. Now in its 25th vintage, Marilyn Merlot is living proof of the iconic power of the image of Marilyn Monroe. Marilyn Wines are sold in most states, please ask your local shop to order it for you or contact us to find out who the distributor is in your state (or look on our website). Most states now permit you to order wine direct from us.

Winemaker's Note: "The 2009 vintage Marilyn Merlot is the Silver Anniversary (25th) release of this venerable wine. It is a blend of 88% Merlot and 12% Cabernet Sauvignon from grapes grown and vinified in the Napa Valley. Complex and complementary aromas of dried herbs, toasty oak, and mature varietal fruit are a testimony to the legacy of this iconic label. Moderate alcohol, classical varietal fruit and good acidity makes this wine a winning partner with fine foods of many cultures. Vineyard locations for this are from longtime growers in the Yountville and Oakville regions of the Napa Valley." **John McKay**
