

2010 MARILYN MERLOT

The 2010 vintage Marilyn Merlot is the 26th annual production of this respected wine. This year's release is a blend of 94% Merlot and 6% Cabernet Sauvignon from grapes grown and fermented in the Napa Valley. The wine's color is vibrantly garnet and the complex aromas of blueberries, anise and toasty oak all work in harmony for a wine worthy of its legacy. Moderate alcohol, soft fruit flavors and a lingering finish makes this wine a great companion with foods of many cuisines. Vineyard locations for this wine are from our longtime grower associates in the Yountville and Oakville regions of the Napa Valley.

Wine Analysis:	Alcohol:	13.9 %
	Total acid	0.67 g/100ml
	PH	3.65
